2010

Every year 2,500 new students come to Heriot-Watt campus in Edinburgh and 250 to the Scottish Borders Campus. The vast majority of them are from outside Edinburgh, many from overseas. Over 80% are in the 18 to 24 age group.

Heriot-Watt University Students Association offers a number of unique opportunities to get your message directly to these students during their first few days of student life.

The Association gets its message across through the media listed in this pack. So can you!

Other Opportunities

As well as the specific Freshers' Week opportunities outlined in this pack, we offer a variety of marketing options all year round. Visit www.HWUSA.org/advertising to download our Advertising Opportunities Pack or contact us for more information.

Website Advert

Your website advert appears in our dedicated Adverts column on every page of the website. Adverts can be static or animated and can link to your company website / offers page. Web Adverts are one of the easiest (and cheapest!) methods of conveying your latest message / offers to the students of Heriot-Watt. From £100.

Poster / Flyer Distribution

With over 1,700 students staying at the Edinburgh campus, we have an amazing captured market with which to distribute your posters / flyers. Placed in high foot-fall areas around the Halls of Residences you can be sure to have a massive impact on the students of Heriot-Watt.

Your flyers and posters will be distributed around halls of residences once, by our highly professional PR Team. From £80.

Plasma Screen Advert

Plasma screens are the newest and most favourable way of targeting students both during the day and in the evening. Situated in bars, they connect with students instantly allowing a variety of content to be displayed like an electronic poster board. From £75.

Freshers Helper Garment Sponsorship

To be worn by Student Helpers based at the Edinburgh and Scottish Borders Campuses. These high profile students act as guides, mentors and friends to new students and are very much a focus of attention.

Website News Article

News articles are a fantastic way to get more information across than using a simple square advert. Allowing you to include a range of multimedia content, you can whet your market's appetite before directing them to your own website / portal.

News Article headlines appear in our 'Latest News' section on the homepage, one of the most visited areas of our entire site. Articles have no guaranteed life-span on the homepage as we only show the latest 5 articles at any one time (new articles usually last 4 or 5 days) – this gives you a fantastic, cheap solution to get your message across quickly and efficiently over a short time-scale. From £50.

Stall / Stand

We have several locations available for promotional stalls / stands both within The Union building and the University. Prices range from £200 per day.
